If you're planning an intimate wedding or you just want to have this special day to yourself and elope in the heart of Edinburgh.

I'd love to be a part of it and even help you plan your day!

I have had the pleasure of assisting couples from the UK and from different countries to have their magical day in Edinburgh by capturing all these candid moments and even helping them plan their day the way they could have lots of joy, beautiful views and beautiful photos. And I'll be happy to help you turn your dream elopement into life and capture these important lifetime memories.

But no matter if you're local in Scotland or coming over the seas I'll be happy to chat with you and see how I can help!

*With love,
Anastasia*
